Sir,

With reference to your official memorandum No. Petition 1484, dated 18th instant, I have the honor to State that the Petitioners seem to be non professional men of Bangalore who are apparently under the impression that, if the Sales of the arrack Vend Farms be held at District Head Quarters, instead of at the respective Taluk Head Quarters the local men who out-bid them, and secure the Farms for reasonable amounts, would not take the trouble of coming to the District Head Quarters to compete with them. For the convenience of the local Besters, Kalals and other professional men of the respective taluks, it is very necessary that

the

the Sales should be held at the Head Quarters of Taluks. In the case of the Shimoga District, however the Sales are held at District Head Quarters as recommended by the Deputy Commissioner, almost all the intending bidders being at Shimoga

To,

The Secretary to Government of Mysore
General and Revenue Departments.

Sir,

With your docket No: 7979/Ex-238 dated 3rd/6 instant, as to whether or not it would be advisable to hold the sales of arrack Vend Farms at District Head Quarters.

In reply I have the honor to forward, herewith, copy of the marginally noted correspondence for the information of Government.

1. Letter No: 1197 dated 12th/13 March 1896. from the Deputy Commissioner Tumkur District
2. Do No: 1655 dated 12th March 1896 Do Mysore District

2. If the sales are held at the Head Quarters of the respective Talukes, the local professional men will be enabled to compete for, and secure the Farms; but if they are held at the Head Quarters of Districts, it would be inconvenient for them to attend, so that the non-professional Capitalists (middlemen) will have better chances of securing

Securing the farms to their best advantage
Under such circumstances, it is preferable to
hold the sales at the Head Quarters of the respective
Talukes. But in the case of the Shimoga District,
the matter will be left to the discretion of the
Deputy Commissioner this year.

had had to be held at the Taluk Kasbas.
The result was encouraging. In the 3rd and 4th years (1894-95 and 1895-'96) the sales were held at the Taluk Kasbas and with good results.

2 As the principal bidders in this District do not reside at the District Head Quarters and as it has been found that sales at Taluk Kasbas are conducive to brisk and keen competition among persons of neighbouring Taluks, the undersigned is of opinion that it would be well if the sales be continued to be held at the Taluk Kasbas as usual.

with reference to the above, has the honor to state that when in 1892-93 the first year of the present scheme, the sales were held at the District Head Quarters, the results did not fulfil expectations. The Excise Assistant Superviser suggests this as being likely to be more advantageous to Government than selling all the farms at the District Head Quarters. The under-signed agrees with him.

Sir,

With reference to your No. 3571-8/174 dated 7/9 the instant, I have the honor to state that there are not sufficient grounds for considering that holding the arrack sale at District Head Quarters instead of as at present in the Taluk Kusaba would materially improve the arrack Revenue From the names of the purchasers and their rentals for 1895-96, I find that the 26 shops in the city are in the hands of 25 men and their total rental is Rupees 19425. the purchasers of the city shops are without exception residents of either the city of the Canal and Military Station. the 32 farms in the District are owned by 21 men and of whom only 3 belong to Bangalore city.
